JOINTURE ORATORS **LEAVE FOR TUCSON** STATEHOOD MEET

Messrs. Rodey and Childers Depart for Arizona.

ANOTHER BIG PETITION IS RECEIVED FROM CERRILLOS

At Crucial Moment Arizona Sends Flood of Telegrams to House Asking for Merger Bill.

Ex-Delegate B. S. Rodey, and Attorney W. B. Childers left last night for Tueson, Arizona, where they will attend the big joint statehood convention to be held in that city inmorrow. Mr. Radey is down on the program for a speech and it is expeeted that Mr. Childers will also give the Arizonians a few pointers on the statehood situation. The two will take along a good supply of Joint statehood literature for distribution amongst the people of Arizona.

Fifty telegrams went in gress yesterday from all parts of Arizona urging the passage of the joint statehood bill and assuring the members that Arizona and New Mexico will adopt a state constitution for "Arizona the Great" by a handsome majority. Local representatives of the joint statehood league, the two newssuges yesterday, also assuring con-gress that the constitution will be adopted, and repudiating the action of Delegate Androws in flying in the face of the expressed sentiment of the people of New Mexico and the republican party caucus in the house. It was learned yesterday at the of-nees of the statehood league that petion of the territory.

Another big one was received from Certifies yesterday and forwarded to Mr. Reveridge. A message was also sent to Beveridge asking him to loan his huge pile of data to the caucus of the house. Duplicates of all telegrams have been sent to the senate and both he-

ANDREWS' BREAK EXCITES AMUSEMENT IN THIS CITY

On all sides yesterday were heard appressions of amusement at the conduct of Delegate in Congress W. H. Andrews in declaring that he will fight joint statehood and his action in introducing a bill for single state-hood, against the expressed wishes of the people of New Mexico on masses Tis very evident that Mr. Andrews'

Bittle visit to the White House a while back didn't help put the delegate in harmony with the administration said a wise politician last night. "N Andrews is patently trying to a back at the president and the repu lican party and New Mexico and everybody else." I fear however, "he went on with a smile," that Mr. Andrews slap in the face for his constituents and the republican caucus with SUPERIOR PLANING MILL COMPANY be a left-handed dauble-back-action affair which will land Mr. Andrews clear outside the breastworks when the melee is over. Instead of the limeassailant of Billy Patterson, people will want to know who hit Bull Andrews. But it's really funny to see the man who invented joint statehood and becated the scheme for all it was worth, turning square round tracks and jumping on joint statehous with both feet.

Others who overrate the importance of Mr. Andrews, in the eyes of con-gress were disposed to be incensed at

the delegate's misdeads.
"Mr. Andrews has made a pretty mess of his delegateship" said one well known business man yesterday "He has broken with his constituents "He has broken with his constituents, defied the national party on the state-hood question, and represents now the office holding gang in Santa Fo and that alone. It is a farce to have New Mexico's delegate in congress on thoroughly misrepresent the sentiment of his constituents. Andrews will be forever repudiated by the people of New Mexico. He has disgraced himself and the territory and after all this has the nerve to defy the people who sent him to Washington."

It's all over with Andrews." said another prominent citizen, an attor-ney, to the Morning Journal reporter. "I can't see what his game is. Bu whatever it is he has cut off his fee remaining friends outside of the Santa Fe push. His effrontery in deliberately trying to block New Mexico's last chance to get in the union is monu-mental."
